

CITY OF PIERZ
Official Minutes of the Pierz City Council Informational Meeting
January 25 2010

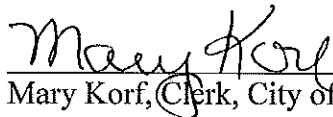

Members present: Toby Egan, Mary Korf, Adrian Welle, Stephanie Fyten, Rollie Hartmann and Maureen Watercott.

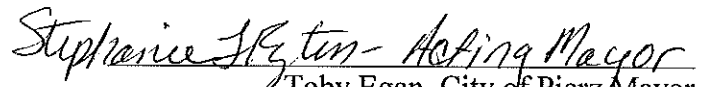

The informational meeting was called to order at 6:05 pm at Pierz City Hall by Mayor Toby Egan.

The meeting was an informational meeting open to public input for discussion on the assessments for the highway 25 project of Summer 2010. Residents affected by the potential assessments were given an opportunity to discuss their concerns, ask questions, and offer recommendations. The Council provided residents with 6 different assessment options that were put together by the City Engineer WSN. The Council reviewed each of the options and also discussed why assessments may be necessary.

Overall, the residents and property owners agreed that the 6th option was the most applicable to the project and property owners' property value increasing and agreed that the 6th option was manageable financially as well. The Council took this in to consideration and is planning to schedule a preliminary assessment hearing in the next few weeks once final bid prices come back from MN-DOT. All property owners that are affected will be notified of the hearing by mail.

Meeting was adjourned at 7:00 pm.
