December 12th, 2022
7:00 PM

MEMBERS PRESENT: Mayor Dave Fischer, Council Member Lynn Egan, Council Member Jacque Johnson

STAFF PRESENT: City Administrator Bob Otremba, Police Chief Eric Hanneken, Fire Chief Dan Rocheleau

Mayor Dave Fischer opened the public hearing for the Truth-in-Taxation at 7:03 am. No public comment was received.

City Administrator Bob Otremba indicated the 2023 preliminary levy was set at \$356,734.00 which is a 3% increase or \$10,390.00 increase from 2022. The increase will be \$5,195.00 in both the General Fund and the Fire Fund. He stated these two funds have been significantly underfunded for the past three to four years and the council should plan to increase the levy or find other revenue sources in each of the funds to achieve a better balance. In the 2023 budget, the General Fund is underfunded by \$23,000 and the Fire Fund is underfunded by over \$47,000.

ADJOURNMENT:

A motion was made by Council Member Jacque Johnson and seconded by Council Member Lynn Egan to adjourn the city council public hearing at 7:10 pm. Motion carried unanimously.
